We Are REALLY Inspired By...

By: Priya Patel

We celebrated Shri Ram Navami and Shri Swaminarayan Pragatyotsav on Friday, April 3, 2009 at Shri Swaminarayan Temple, Wheeling, IL with a great pride and enjoyed very much especially statsangies of Chicagoland and neighborhood stayed for 18 hours Shri Swaminarayan Dhoon that started from Friday, April 3rd through Saturday, April 4th till 5:00 PM and then one hour was extended. Everyone was very happy pleasing Lord Shri Swaminarayan with His chanting. I was really inspired with a female satsangi who sat 19 hours continuously without standing at all in this dhoon. She also had done 5-day fasting at the same time. Don't you think that we have Ladu Ba, Jivu Ba, etc. still here in our current satsang? We become holy with darshan of these Satsangies.

SGBYM Who We Are? What We Do? What We Learn?...
